Overview

I am highly motivated, always reading a tech book and working on a side project, and fully confident in my ability to learn new things. I have a business oriented mind, and am passionate about developing impactful software. I look forward to gaining experience and increasing my range of expertise.

Summary of Skills

- Spring Framework, Spring MVC
- Java, JavaFX
- C++
- HTML, AngularJS, JS, CSS, Bootstrap
- Grails/Groovy
- Apache Camel
- SQL
- Use of software development tools, Eclipse, IntelliJ, Jenkins, Git and more.
- RESTful API Development

Work Experience

Summer '15 and '16 Software Developer Intern

Booz Allen Hamilton – Chantilly, VA

Developed applications with Java on Spring Framework. Developed testing tool for large scale file/directory comparison, which integrated with Jenkins for nightly builds. Developed custom Apache Camel SFTP component to receive files over SFTP, which implemented an in-memory file-system for greater efficiency. Also developed JIRA plugin to help agile processes.

08/2014-05/2015 Jr. Developer

SharpTop Software – Lynchburg VA

Creating Grails web applications, writing unit tests, using the Groovy language along with a basic use and understanding web languages. Created database monitoring system to improve meeting SLA time for our client, eDocument Solutions.

10/2013-08/2014 Landscape Technician

Liberty University Grounds Department – Lynchburg VA

Mowing lawns, weeding, picking up litter, snow removal, operating landscaping equipment.

Education

Liberty University – Class of 2017

Major: Computer Science **GPA:** 4.0

Coursework: Discrete Math, Algorithms and Data Structures, Computer Architecture and Organization, Calculus, Physics, C++, Databases, Operating Systems, Software Engineering

Fillmore Central School – Class of 2013

Honors: Salutatorian, National Honor Society, voted High School King, multiple athletics performance awards and sportsmanship awards, including a sportsmanship scholarship given by referees to one athlete among our county, MVP (basketball), and Rochester Area Ronald-McDonald All-Star (basketball).
